Bush, the President of the United States, in the use of threatening language contained in two letters, one of these letters was written substantially as follows: "I have no remorse for you. Continue on reading. I am planning to kidnap Jeanna and Barbara Bush for a game that is like Hide-n-Seek but a little different. I hide them, you find them. Sounds simple doesn't it? I hope you would participate. If not, they die. You should play along Mr. President here's how the rules of this game go. I hide them, you seek for them, but while you seek for them, I seek for you. If you find

them before I find you, good for you. If I find you before you find them, you die along with them. There is a ransom here, too. Nothing outrageous just 3.5 million dollars. You have 48 hours prior to my November 07, 2007 release, to contact me. Also you have 72 hours to get the money and wait for further instructions. No dye no bullshit. 20's and 50's only. I think I'm not being taken serious so, to let you know I mean business, who you love more Mom or Dad? Ole Barbara Bush and Geogre Bush Sr. Or should I go for wifey?
